10-50	10109 5	Pull-out compartment without tool fixtures	32.00

Tool sets with matching fixtures are listed on pages 52 - 65.

Products are flat packed in stable collapsible cardboard boxes complete with assembly instructions.

## Carpenters bench accessories

### ULMIA height-adjustable trestle to fit all ULMIA carpenters benches\*

2 trapezoidal spindles permit the working height to be steplessly adjusted from 700 - 1000 mm. 4 tilting type clamp levers are used as stabilizers. An integrated spirit level permits horizontal alignment of the work surface. The front vice is designed to permit displacement to the rear to afford greater legroom for work performed sitting down.

Order no.	EAN-CODE 40 44637	Description	kg
10-70	10529 1	<b>Height adjustable trestle</b> Delivery only in conjunction with a carpenters bench (instead of the standard trestle/ not with pull-out compartment 10-50)	37.0
